SHŌGUN

Shōgun, the game, takes you to Japan in 1600. Set in a turbulent period of the country's history, you must fulfil your ambition to become Shōgun, the most powerful warlord.

This arcade adventure represents the beautiful Japanese landscape over 128 screens, with joystick control and icon-driven commands. Some 40 characters populate the area, each with individual personality.

It's up to you to exercise your qualities of leadership, gain 20 loyal followers and then proceed to take over the Shōgun's Palace...
